Subject: RHIIP Listserv #291 - Identity Verification Report Unavailable for 257 Multifamily EIV Users

**RHIIP Listserv Posting #291
December 10, 2012**

Welcome to the MULTIFAMILY HOUSING RENTAL HOUSING INTEGRITY IMPROVEMENT PROJECT (RHIIP) LISTSERV that brings you up-to-date RHIIP related publications, news, information and occupancy tips in an effort to help reduce errors in rent determinations and subsidy calculations.

**Identity Verification Reports
Unavailable for 257 Multifamily EIV Users**

The EIV IT team has advised us that there is an issue preventing 257 MF EIV users from obtaining Identity Verification Reports. The issue affects only those users with MF EIV roles who do not have a single contract number assigned to their ID.

If you are affected, document your files showing the inability to run the report. Contract Administrators are instructed not to issue MOR Findings if this issue is documented by a user until such time when the Identity Verification Report is fully functional.

You can view the RHIIP Tips Archives, under "Listserv-Multifamily RHIIP Tips" at <http://www.hud.gov/offices/hsg/mfh/rhiip/mfhrhiip.cfm>

Please encourage others to sign-up for the Listserv, so they too can receive current RHIIP related information from HUD <http://www.hud.gov/subscribe/maillinglist.cfm>
